NURSE PRACTITIONER
FOR CHILDREN AND ADOLESCENTS

Peachtree Comprehensive Health is currently accepting applications for a nurse practitioner specializing in child and adolescent mental health. Come join our energetic, collaborative team of psychiatrists and therapists who are committed to providing evidence based treatment.

ABOUT US

Peachtree Comprehensive Health is a well-established Atlanta practice in the Buckhead area, which consists of board certified psychiatrists, psychologists, and therapists who collaborate to offer comprehensive, holistic clinical care. We are now expanding our providers to include Nurse Practitioners.

Prescribers provide medication management, individual therapy, and collaborate with our therapists when there are shared patients. Our team strives to foster a convivial, supportive, inclusive environment. All providers are encouraged to explore their unique clinical interests and are supported in developing new programming. Providers are on-call for their own patients during weeknights with weekend calls on rotation. All clinicians are provided with a fully furnished office in our beautiful newly renovated space.

WHAT THIS POSITION OFFERS

This position offers a highly competitive salary, including malpractice insurance coverage, along with full benefits and 401k matching.

PCH offers a wide range of services in addition to medication management. Our DBT clinic offers a full array of DBT services including DBT for children (for explosive children), DBT-PE (for trauma) and DBT for substance abuse. Our Cognitive Center focuses on CBT for anxiety, ERP for OCD, and executive functioning classes and coaching for ADHD. Individual therapy, family therapy, couple's counseling and family therapy is also available.

Peachtree Comprehensive Health is committed to providing culturally competent services to all communities. Applicants with experience working with patients across the gender and sexuality spectrums, and in communities of color are strongly encouraged to apply.
